Councilmember Lieberman Re-Appointed to NLC Committees. Councilmember Lieberman has been re-appointed to three National League of Cities (NLC) Committees for 2009.

Councilmember Lieberman will serve as Vice Chair of the University Communities Council (UCC) Steering Committee. The UCC's objectives are to assist cities, NLC and state municipal leagues in gathering, sharing and analyzing information about opportunities, issues and policies of interest to university communities. It also serves to foster a spirit of cooperation between universities, colleges and city governments.

Lieberman will continue to serve on the Human Development (HD) Steering Committee. The HD Committee is responsible for the development of NLC policies on employment and job training, early childhood development, temporary assistance to needy families, unemployment insurances, income support programs, immigration and refugee policy, health and education, equal opportunity and social services.

Lieberman will also continue to serve on the Leadership Training Council (LTC). The Leadership Training Council is essential to the overall guidance and direction of the NLC's Leadership Training Institute. Members identify leadership development needs along with professional trainers and experts skilled in conducting the NLC Leadership Training Institute seminars. The LTC also guides the program development of the annual Leadership Summit and various Regional Leadership Institute training and seminar programs and events.

Household Hazardous Waste Pick-up. If you're doing any spring cleaning in the near future, make sure you dispose of your household hazardous waste properly. Glendale can help! The city is offering free pick-up service at your home.

Many residents do not realize that common household hazardous waste can be dangerous when mixed with other garbage material. Simple items that mix together can cause fires or deadly poisonous vapors that can harm city workers or others. In fact, Glendale Fire responds to 300 household hazardous waste incidents a year.

Residents can sign up for the free pick-up service, by contacting the Sanitation Division at 623-930-2660. Registration will be on a first-come, first-served basis for the first 750 households who call and schedule an appointment. Appointments will be accepted through Friday, March 20, with appointments being set for March 16 through April 3.

Hazardous materials that will be accepted include paints and stains, antifreeze and other automotive fluids, pesticides, motor oil and filters, batteries, pool chemicals and household cleaners. Items that are unacceptable are explosives, radioactive materials, tires, drums, ammunition and medical or business wastes.

For more information, call the Sanitation Division at (623) 930-2660.

9th Annual Touch-A-Truck this Saturday. Trucks and large vehicles take center stage 10 a.m. to 1 p.m., February 28, at Glendale Community College, 6000 W. Olive Ave. This unique event is a wonderful opportunity for families to see, touch, interact with and learn about these vehicles and their functions. Bring your camera to get those special shots of your child sitting in the driver's seat of an 18 wheeler. Souvenirs and refreshments will be available for purchase. Free admission! For more information, call (623) 930-2044.

Victim Assistance Unit Volunteers Needed. Victims of crimes often need immediate assistance to deal with what has happened. For over 33 years, the Victim Assistance Unit of the Glendale Police Department has been there to help. A large part of our assistance comes from interested volunteers that want to give back to their communities and lend a helping hand. Call (623) 930-3723 for more information on this program and how you can help.

Save the Date for “City of Glendale - Get Your Green On!” The city of Glendale Water Conservation Office invites you to attend the 2009 Glendale Green Festival featuring the SRP Water Conservation Expo from 8:30 a.m. to 1 p.m. on Saturday, March 28. This family-oriented free event is a great opportunity for people of all ages to learn about water and energy efficiency and other green practices. The festival will feature informative displays and booths, green vendors, landscape classes, green-living workshops, free giveaways and a Family Zone powered by Radio Disney with all kinds of fun and games for all!

The SRP Water Conservation Expo and Green Workshops will be located at the Glendale Main Library’s Xeriscape Demonstration Garden, 5959 W. Brown Street and the landscape classes and green vendor booths located nearby at the Fruit Packing Shed at Sahuaro Ranch Park, 9802 North 59th Avenue.
